Message From Founder & Chairman

Dr. C.S. Joshi

“**Vasudev College of Pharmacy (VCP), Haldwani** got established under the aegis of Prathamesh Educational Trust, Haldwani and duly approved by Pharmacy Council of India (PCI) New Delhi in the Year 2023 with the aim of expansion and promotion of pharmacy knowledge and skills. VCP is affiliated to V.M.S.B. Uttarakhand Technical University for B.Pharm. Degree programme and Uttarakhand Board of Technical Education, Roorkee for D.Pharm. programme. The dedicated and enthusiastic faculty members of VCP shall leave no stone unturned in their commitment to educating students, thus enabling them to venture forward towards their goal in life.

With this in mind, VCP has provided for state of the art infrastructure and all the facilities needed for the pharmacy course. We sincerely desire that our students pass out from this institution with not just a diploma or degree in pharmacy but as a conscious and pragmatic citizen of this country, realizing that pharmacy and its related professions are among the most noble and worthy career options that one may seek.”

I Wish Vasudev College of Pharmacy all the Best.

Message From Director (Administration)

Mr. Gaurav Joshi

An institution's basic responsibility is to produce well informed and aware citizen who could bring change in society. Here at Vasudev College of Pharmacy, we owe this responsibility to nurture and cultivate young minds in the field of pharmaceuticals by providing them an advanced and high tech infrastructure in the middle of lush green forest at Lamachaur, Haldwani.

Parents and Teachers are the torchbearers of society. Vasudev College of Pharmacy is fully committed to sow seeds of transformation in our healthcare sector by producing conscious pharmacists.

I wish Vasudev College of Pharmacy all the best.

Message From Director Pharmacy

Dear Students, Faculty Members, and Stakeholders,

At the outset, I extend a warm welcome to you at the sacred and vibrant campus of Vasudev College of Pharmacy which offers both undergraduate and diploma pharmacy programs (B. Pharm. and D. Pharm.). Embracing the ongoing digital revolution (also known as the 3rd industrial revolution) that is reshaping modern education, we are fully committed to go beyond traditional classroom teaching. Our academic framework is built on the pillars of real-world practical training. With over 12 years in pharmacy education up to the PhD level and 17 years of professional experience in mentoring students, research, and pharmaceutical innovation — including postdoctoral research at IIT Roorkee and international training in the UK — I bring an approach that blends traditional academic values with modern advancements.

Vasudev College of Pharmacy is not just an institute to study — it is a platform to experiment, innovate, and grow. Let us come together to empower a new generation of pharmacy professionals — informed, skilled and prepared to lead the future of healthcare with confidence and compassion. industry-relevant projects, and research-driven learning, ensuring that our students are well-prepared to meet the emerging demands of the healthcare and pharmaceutical sectors

With warm wishes

Prof. Prashant Gahtori
Director, Vasudev College of Pharmacy

Message From H.O.D. Pharmacy

In today's modern era, the pharmaceutical sector stands as a pillar of consistent economic growth, social well-being, employment generation, and human development. At Vasudev College of Pharmacy, Haldwani, we are committed to nurturing the next generation of pharmacy professionals.

Our goal is to impart comprehensive pharmaceutical knowledge, enabling our students to confidently navigate career challenges and rise to greater heights in life. Pharmacists are the backbone of healthcare institutions. It is our responsibility to instill in our students a profound understanding of medicines, human physiology, and the ethical practices essential to healthcare. We aspire for our students to not only become skilled professionals but also compassionate contributors to society—supporting and uplifting healthcare systems through their conscious and dedicated efforts. Wishing all our students a bright and successful future.

With warm wishes

Mr. Pradeep Rikhari
Head of Department,

Bachelor of Pharmacy (B. Pharm.)

Four-Year | Eight-Semester Degree Programme

Vasudev College of Pharmacy (VCP) offers a four-year undergraduate program leading to a Bachelor of Pharmacy (B. Pharm.) degree. This professional course is spanning in eight semesters to provide in-depth knowledge across various aspects of pharmaceutical sciences. The curriculum includes four core subjects as follows:

- Pharmaceutics – covering the formulation and manufacturing of dosage forms like tablets and capsules,
- Pharmaceutical Chemistry – focusing on the chemical properties and synthesis of medicinal compounds,
- Pharmacology – exploring the interactions between drugs and the human body,
- Pharmacognosy – studying medicines derived from plants and other natural sources.

The B. Pharm. program is designed to equip students with the theoretical understanding and practical skills required for drug formulation, quality control, dispensing, and therapeutic evaluation, ensuring the safe and effective use of medications.

Curriculum

The B. Pharm. program at VCP offers a comprehensive and dynamic curriculum designed to build a strong foundation in pharmaceutical sciences. The program covers a wide range of topics, including Pharmaceutical Chemistry, Pharmacology, Pharmaceutics, Pharmaceutical Analysis, Pharmacognosy, and Drug Regulatory Affairs. Students gain practical experience through laboratory experiments, industrial training, and internships, which bridge the gap between theoretical knowledge and real-world application. The curriculum emphasizes research, innovation, and interdisciplinary learning, encouraging students to explore emerging trends in drug development, healthcare technologies, and regulatory science. With a focus on industry collaboration and practical skill development, the B. Pharm program at VCP prepares graduates to thrive in a variety of professional roles in the pharmaceutical, healthcare, and regulatory sectors and make meaningful contributions to public health and scientific progress.

Eligibility Criteria

- **First Year B. Pharm. Admission**

The candidate must have passed the **Class XII** conducted by any state or central government authority, recognized as equivalent by the Association of Indian Universities (AIU). The following subjects are mandatory:
